APPLICATION FOR 2010-2012 AEF BOARD OF DIRECTORS

Application Procedure

The Asian Pacific American Bar Association Educational Fund (AEF) is now accepting applications to serve on the 2010-2012 AEF Board of Directors. The AEF Board of Directors consists of nine individuals who are appointed by the Boards of Directors of AEF and the Asian Pacific American Bar Association of the Greater Washington, DC Area, Inc. (APABA-DC), each spring to serve a two-year term. This year, there are **four** positions available. The new members will serve on the AEF Board until June 2012, along with five current Board members who will serve until June 2011.

Service on the AEF Board is a great opportunity to interact with law students, support the public interest community, and work with a collaborative and fun team! Past AEF events include the Wine and Cheese Rooftop Welcome Reception, the Speed Networking Reception, the Career Planning Seminar, and the Robert E. Wone Annual Judicial Clerkship and Internship Conference. Board members also plan the AEF Annual Benefit Dinner, which raises funds for law student public interest fellowships and grants.

To apply, please complete this form and e-mail it to aefboard@gmail.com, along with a resume and a statement of interest explaining why you are interested in serving on the AEF Board and detailing your involvement in any professional, non-profit, or Asian Pacific American organizations. All applications **must bear an e-mail time stamp by Saturday, May 1, 2010**. An electronic version of this application is available at AEF's website, www.aefdc.org.
